

A1 CLEANERS INSPECTION CHECKLIST

This inspection checklist is intended to help make this process as simple as possible and so you know what you can expect. **The hourly rate to complete the tasks will vary based on the size on current condition of the home.** Once we see your property, we will confirm an exact estimate with you prior to conducting any work. If it will take more or less time, they will let you know right then and there and we can move forward accordingly. Keep in mind, the first clean typically takes more time, just because we have to learn and get all the nooks and crannies of your space. If there is anything undone, please let us know and we will fix it right away! Thank you for your business, we truly appreciate you and your satisfaction is our #1 priority!
